This Agreement has been entered into by the Nebraska Natural Department of Resources, hereinafter referred to as the Department and the _____

_____ hereinafter referred to as the Organization, for the
Local Organization

administration of the Small Watersheds Flood Control Fund § 2-1501 to 2-1503.03 (Cum. Supp. 2002)

hereinafter referred to as the Fund. This Agreement covers a hydrologic unit which includes approximately

_____ separate land rights involved in _____ project measures described as follows:

If money from the Fund, for a specific request, is subsequently approved by the Nebraska Natural Resources Commission, the Organization agrees to observe and abide by all applicable Nebraska statutes and by all applicable rules, regulations and policies of the Department and the Nebraska Natural Resources Commission.

This agreement becomes effective upon signature by all parties and it will remain in effect as long as the Organization retains an interest in lands which are in the hydrologic unit subject to the agreement and which were acquired, whether as title, easement, or right-of-way, with assistance from the Small Watersheds Flood Control Fund

The signing of this agreement was authorized by the
